¹ Loans to UC campuses and all other borrowers are counted by each of the RLFs; Regional Library Facilities do not borrow material. Each UC campus also reports on the number of items borrowed from each of the RLFs. In previous years these transactions would have been considered interlibrary loans and attributed to the campus that deposited the requested material in the RLF. Therefore, they are treated in this report as items borrowed from other UC libraries, and included in totals for "Returnable Items Borrowed" in the upper table, and included in the lower table.

² University of California intercampus transactions shown as reported by borrower.

¹ Loans to UC campuses and all other borrowers are counted by each of the RLFs; Regional Library Facilities do not borrow material. Each UC campus also reports on the number of items borrowed from each of the RLFs. In previous years these transactions would have been considered interlibrary loans and attributed to the campus that deposited the requested material in the RLF. Therefore, they are treated in this report as items borrowed from other UC libraries, and included in totals for "Returnable Items Borrowed" in the upper table, and included in the lower table.

² University of California intercampus transactions shown as reported by borrower.
